

The T2 Short Return

Who can use the *T2 Short Return*?

The *T2 Short Return* is a simpler version of the *T2 Corporation Income Tax Return*. There are two categories of corporations that are eligible to use this return:

- You can use this return if the corporation meets **all** of the following conditions:
 - it is a Canadian-controlled private corporation throughout the tax year;
 - it has either a nil net income for income tax purposes this year or a loss this year;
 - it has a permanent establishment in only one province or territory;
 - it is not claiming any refundable tax credits (other than a refund of instalments paid);
 - it did not receive or pay out any taxable dividends;
 - it is reporting in Canadian currency; and
 - it does not have an Ontario transitional tax debit.
- You can also use this return for a tax-exempt corporation (such as a non-profit organization) that has a permanent establishment in only one province or territory.

If the corporation does not fit into either of the above categories, please file a regular *T2 Corporation Income Tax Return*.

Except for Quebec and Alberta, the *T2 Short Return* also serves as a provincial or territorial income tax return.

What should you attach to the *T2 Short Return*?

There are three schedules you have to attach to this return*:

- Schedule 100, *Balance Sheet Information*, showing the financial position of the corporation at the end of the tax year;
- Schedule 125, *Income Statement Information*, showing the corporation's income and expenses for the year (if the corporation did not earn any income or incur any expenses, simply state "no income" or "no expenses"); and
- Schedule 141, *Notes Checklist*, for any notes to the financial statement information and to indicate the involvement of an accountant.

* If your corporation is inactive (you answered **yes** on line 280) and there is no balance sheet or income statement information to report, you do not have to attach these schedules. However, they will be accepted if filed.

Depending on the circumstances, you may have to attach other forms or schedules. For more information, see page 2 of the *T2 Short Return* and the *T2 Guide*. For your convenience, this package includes the short version of Schedule 1, a Schedule 8, and a Schedule 50.
